

DISCOUNTS

Group discounts

Group outings are becoming more popular and may qualify for a 15% group discount. A qualifying group requires advanced reservations for five (5) or more campsites (mix or match cabins or RV sites) coordinated by a single responsible party. This party must give us a group name to associate with the reservations. Start planning now for your organization or round up a group of your riding friends!

Please note that the group rate discount cannot be combined with any other Trailhead ATV Resort discount offering. For more details and to make your group reservation, call our friendly staff at 276-945-3089. The group rate is not available through the online reservation system.

Military discounts

A 10% military discount will be applied upon check-in. Valid military ID is required. To be eligible for a military discount, the name of the reservation must match the name on the military ID.

Call 276-945-3089 or email info@trailheadATVresort.com for more information.
